LEUPHANA CAMPUS

THE CAMPUS

Whether as a supplement to the Leuphana Zentralgebäude or especially for your event - the campus of the Leuphana University with its 16 buildings and five lecture halls offers optimal conditions for all your needs and the best solution for any event of any size. Short distances between the buildings and the well-kept outdoor facilities characterize the idyllic image of the entire campus. Our premises are not only available during the semester break - we realize your event ideas throughout the year!

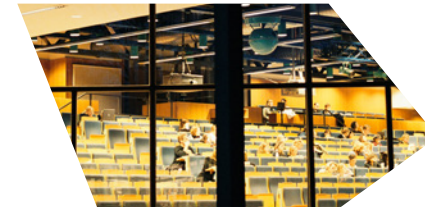

LECTURE HALLS

The glass "lecture hall corridor" is located in the middle of the Central Campus, which is characterized above all by its many green outdoor facilities and its beautiful buildings. Four lecture halls of different sizes depart from it, another fifth one in the immediate vicinity on a large meadow. All lecture halls are equipped with a projector, screen and microphones, which can be rented for a relatively low price. The lecture halls offer many different perspectives on the campus through their large windows.

If you need an interpreter, for example for an international conference, there is an interpreter's booth in Lecture Hall 1.

Lüneburg is situated on the main railway route between Hanover and Hamburg.

An ICE train takes about one hour from Hanover. From Hamburg you can take the IC or ME (Metronom, regional fast track) to Lüneburg in 30 minutes. Lüneburg is part of the catchment area of the Hamburger Verkehrsverbund (HVV).

During the lecture period the bus line 5001 runs as a direct shuttle connection from Lüneburg train station to the Central Campus. The bus line 5600 (to Barnstedt) also goes to campus. You have to get off at the bus stop "Universitätsallee". The bus lines 5011 in the direction of Rettmer Häcklingen and 5012 in the direction of Bockelsberg can also be used, the final stop is always Blücherstraße. See also map p. 11

In addition, there are taxis waiting in front of the train station. A ride to the Central Campus costs approx. 8 to 10 €.
